A Letter *from our* Executive Director

“But how can they call on him to save them unless they believe in him? And how can they believe in him if they have never heard about him? And how can they hear about him unless someone tells them?”

—ROMANS 10:14 (NLT)

God is moving on public school campuses across Southeast Florida! This school year, 339 First Priority clubs have met weekly—led by students, empowered by local churches, and centered on the Gospel. Each month, hundreds of students say yes to Jesus, receive a Bible, and get connected to a local church family.

Before school, during lunch, or after the final bell, young believers are gathering to pray, share, and lead their friends to Christ. In a world filled with noise and confusion, students are finding hope—and they’re not just showing up, they’re stepping up.

Let’s not grow weary. The next generation is rising.

Will you join us?

Pray. Promote. Provide.

So that more students can hear, believe, and follow Jesus.

God is on the move!

Chris Lane

President, First Priority of South Florida

REAL PEOPLE

REAL IMPACT

Testimonies of faith and purpose from those leading and supporting First Priority.

“

As First Priority president at Bair Middle, I've seen God move in powerful ways, students who never spoke about their faith are now boldly leading prayer. I've witnessed broken hearts healed, friendships restored, and even kids giving their lives to Christ right in our meetings. These weren't just moments; they were miracles. God is alive in our school, and I've watched Him change lives right in front of me. —8th grader, Bair M.S.

”

“

We started our club this year with very little. Many of the past regular attendees graduated and we no longer could use our meeting place. Thanks to God, he took our circumstance and grew our club numbers and gave us the cafeteria to continue our club and keep on sharing the love of Jesus to our campus! —12th grader, Jensen Beach HS

”

“

At the start of the year, God put it on me and my friend Joshua's heart to start a Bible-Study club at our school. Thankfully, we were led to First Priority by one of our youth leaders, and surprisingly, got it approved in the school. Although we started with a group of 10 kids, the club quickly expanded, and ended its first ever semester at our school with around 35 people.” —8th grader, Pembroke Pines Charter Academic Village M.S

”

“

It is a privilege to say that the Lord not only allowed me to witness genuine growth and intentionality within these young leaders when it came to their relationship with Christ, but He also used each young disciple to encourage and sharpen my own walk. I saw young people say “Yes” to Christ, who were so willing to be used and the Lord used them. —Alayna, Miami, Mentor

”

“

Serving as a First Priority Mentor has been one of the greatest blessings in my faith journey. As I've walked with students in their pursuit of Jesus, God has transformed my heart and deepened my compassion. More than ever, I carry a burden to see this generation rise up—bold, faithful, and unshaken. Leading them has been an honor; learning from them has been the true gift. —Pastor Mike, Treasure Coast, Mentor

”

“

We've been so excited to watch the Gospel continue to grow in our schools in North Brevard. We have more church & prayer partners than ever before- which is vital in all we do! Our clubs have grown larger in the Space Coast leading to students turning to Christ, getting plugged into local churches and becoming true disciples! —Christina, North Brevard, Area Advisor

”

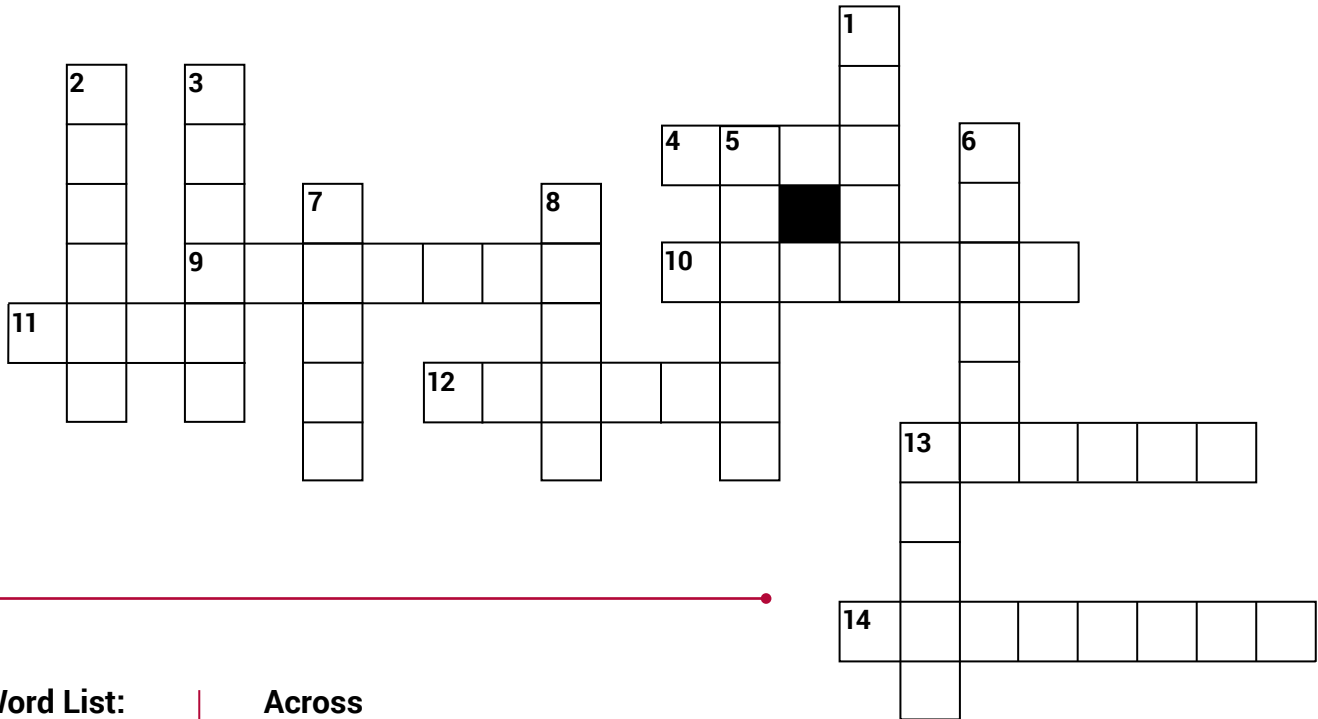

“

Don't let anyone think less of you because you are young.
Be an example to all believers in what you say, in the way you
live, in your love, your faith, and your purity.

(1 TIMOTHY 4:12)

 The first 10 people to send it in will win a First Priority t-shirt!

FP GAME DAY

Elementary School

"We are blessed to see our volunteers step out of their comfort zones and sacrifice their time each week to pour into the next generation. It is a privilege to be able to share truth and love with eager and bright young minds." - Emily Turner, North Fork Elementary

- 1,700+ students enrolled
- 500+ volunteers
- 54 clubs

Middle and High School

Across campuses, students boldly shared the Gospel, invited their friends, and lived out their faith through the EPIC strategy. With the support of local churches and mentors, these student-led clubs became a powerful movement of hope and transformation in their schools.

THE GOSPEL GOING FURTHER

Volusia County

This school year marked a major milestone as we launched our first-ever club in Volusia County at Spruce Creek High School. This new beginning represents not just a geographic expansion, but a spiritual one—bringing hope and Gospel conversations to a brand-new community.

Orlando Area

In the greater Orlando region, momentum is building. We now have active clubs meeting at Horizon High, Windy Ridge Middle School, and Ocoee High School. Students are coming together each week to grow in their faith, build community, and share the Gospel on their campuses.

Miami-Dade County

We also launched our first elementary school club in Miami-Dade at BridgePrep Academy of Doral. Reaching younger students earlier opens the door for lifelong transformation and deeper connections to local churches.

Every new club is a reminder that the mission is growing—but so is the need. Your partnership helps us say “yes” to more open doors, more student leaders, and more schools where the Gospel can be heard. Let’s keep expanding—together.

This Generation Is Open—Are We Showing Up?

Gen Z and Gen Alpha are growing up in a world marked by noise, confusion, and disconnection—but they're more spiritually open than we may realize.

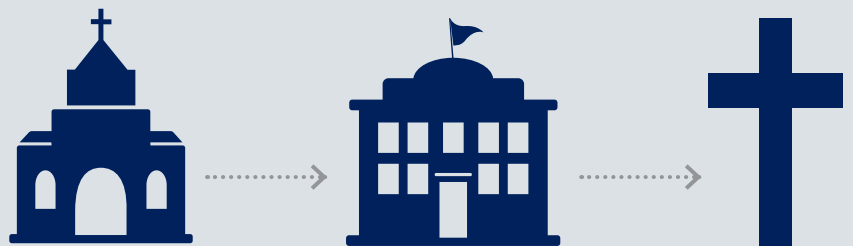

65%

of Gen Alpha self-identify as Christian.

3 in 4 preteens

say their faith, religion, or spiritual journey is a key part of who they are.

And to support Gen Z's mental health, experts say we need to create spaces where they can gather, connect, and grow in-person—on purpose and regularly.

At First Priority, that's exactly what we do. Across hundreds of schools, First Priority clubs offer students a place to belong, believe, and become—by creating intentional, face-to-face moments where students talk about Jesus, build friendships, and strengthen their faith. These weekly clubs meet them where they are and help them rise into who God made them to be.

If this generation is spiritually hungry, let's keep showing up with the Gospel, one school at a time.
