A LETTER FROM

# MIKE GAULT

Welcome, and thank you for being here tonight.

We are deeply grateful for your partnership and generosity in supporting the mission of First Priority—to take the hope of Christ to every student. Here in Miami, we are seeing God work through students who are stepping into leadership and reaching their friends with courage and faith on their campuses. Your support allows us to

come alongside these students, equipping and encouraging them to live out their faith where they already have influence. When students are equipped to reach their peers, the impact extends into families, communities, and beyond. Thank you for believing in what God can do and for investing in the next generation.

Mike Gault, Miami-Dade Director

# GIFT FROM THE HEART

GOAL:

**\$68,400**

We are so grateful to share that this year's Gift from the Heart total of **\$68,400** directly reflects what is needed to launch **10 new clubs across the Miami area**. Each dollar given moves us closer to seeing more students reached with the hope of the Gospel on their campuses. While this amount fully supports the launch of these 10 clubs, our vision does not stop there. We are prayerfully planning and believing for even greater growth as God opens more doors to reach every student, on every campus.

First Priority clubs are making a powerful impact on campuses at every level, from elementary schools to middle and high schools. This school year alone, **373 clubs** are actively meeting, creating spaces where students can encounter the hope of the Gospel. Through student-led gatherings and faithful partnerships with local churches, we've seen **3,972 students make decisions** for Christ. Even more encouraging, over **1,500** of

those students have taken the next step by connecting with a local church for continued discipleship. God is moving on our campuses, and the fruit is undeniable.
