DESCRIPTION:

- The Big Green Egg offers more cooking options than all other conventional cookers combined.
- Grill, roast, smoke, sear and bake, the EGG does all this and more.
- Calibrated temperature gauge provides precise readings from 150 to 750 deg.
- Quick and easy to start - reaches cooking temperature and is ready to use in minutes
- Precisely control the temperature by easily adjusting the patented air flow systems.
- An EGG retains heat and moisture so well that foods don't dry out
- Large EGG can cook 20-pound turkeys, 12 burgers, 6 chickens vertically, 8 steaks and 7 racks of ribs vertically.

GRAND PRIZE: SHOTGUN

\$50/ticket or \$200/5 tickets

- Valued at \$1,169.00

* First Priority must raise a minimum of \$1,170 through Grand Prize raffle tickets in order to raffle this item. If the minimum is not met, all tickets will be voided and all purchases will be refunded. Do not have to be present to win.

DESCRIPTION: THE BERETTA A300 ULTIMA SPORTING SHOTGUN

- Engineered to be ultra-reliable and evenly balanced for clay target shooting.
- SPORTING BARREL CONFIGURATION: Featuring the classic gas operating system of the proven A300 platform this new sporting gun features a 30" barrel with a white front bead and a mid bead on a stepped rib.
- ENLARGED CONTROLS & LOADING PORT: Enlarged loading port, extended bolt release and bolt handle make operating the gun easy and intuitive.
- UNIQUE FINISH: Green accents and a new black web pattern make the new A300 Sporting stand out on the clay course.
- KICK-OFF® INCLUDED AS STANDARD CONFIG: Beretta's Kick-Off® recoil reduction system provides enhanced stability, comfort, and control for faster follow up shots.

Raffle tickets will also be available for purchase at the tournament. Drawings will take place during morning check-in and during the lunch presentation.
